

EXPERIENCE

Software Developer (Fixed-Term) Sep 2025 - Present
IEMALabs — IEMA Research & Development Pvt. Ltd., Kolkata

- Built production MERN + React Native apps across healthcare, IoT & education verticals
- Developed IEMA EMR — full-stack Electronic Medical Records with RBAC, appointments & prescriptions
- Containerised services with Docker; configured CI/CD pipelines on AWS EC2 for automated deploys

Trainee Developer Jan 2023 - Sep 2025
IEMALabs — IEMA Research & Development Pvt. Ltd., Kolkata

- Contributed features across React.js / Node.js products; integrated payment, SMS & map APIs
- Conducted internal VA/PT exercises; patched critical SQL-injection & XSS vulnerabilities

PROJECTS

VAPT Toolkit Automated VA/PT suite — recon, port scan, CVE lookup & HTML reports. Python Nmap Security	IEMA EMR MERN medical records with RBAC, patient mgmt & prescription flow. React Node.js Healthcare	CyberShield Real-time threat dashboard with NVD CVE tracker & live Socket.io alerts. React Socket.io Security
IoT Asset Monitor Industrial MQTT telemetry dashboard with real-time charts & threshold alerts. MQTT Socket.io IoT	SecureVault Zero-knowledge AES-256 password manager with HIBP breach detection. React AES-256 Security	IntelliChat MERN chat with Gemini 1.5 AI assistant, room-based & real-time WebSocket. React Gemini AI AI

PROFILE

Full Stack Developer with 2+ years at IEMALabs building production apps across healthcare, IoT & education. Equally passionate about cybersecurity — VAPT, offensive tooling & network analysis. Seeking roles at the intersection of engineering & security.

SKILLS

LANGUAGES

JS TypeScript Python Java Kotlin C/C++ SQL
Bash

WEB & MOBILE

React.js Next.js Node.js Express React Native
MongoDB PostgreSQL Socket.io Docker GraphQL
Tailwind

SECURITY & DEVOPS

Pen Testing VAPT Kali Linux Wireshark AWS CI/CD
Nginx

EDUCATION

B.Tech — CS & Business Systems
Institute of Engineering & Management, Kolkata
2021 - 2025

Diploma — CS & Technology
Saroj Mohan Institute of Technology, Hooghly
2018 - 2021

CERTIFICATIONS

- AWS Fundamentals Specialisation**
Coursera / Amazon Web Services
- TryHackMe — Active Practitioner**
Web Fundamentals · Jr Pentester · SOC Analyst
- Robotrix 2024 — Lead Developer**
IEM Annual Robotics Competition Platform
